THE IRIS GARDEN

DOROTHY STONER

MERRIAM, KANSAS

1943

Because of war conditions this year's catalog becomes a price list. No space to get acquainted in; but that may come later. Many varieties are not included in this brief list. Many of those omitted here, but listed in 1941 and 1942, are still in the garden and will be sold at those prices while limited quantities last. If you order from past catalogs, give me a list of acceptable substitutes. The only exception is the landscape collection which, because of labor conditions, cannot be offered this year.

The number of orders which I can accept will be limited also. After as much work as I can take care of is accepted, all other orders must be returned as received.

TERMS OF SALE

Guarantee—My plants are guaranteed to be true to name, and vigorous and healthy when you receive them. If not satisfactory, return them immediately upon receipt. Your money will be cheerfully refunded. No adjustment can be made on stock not returned at once.

Stock—Daily shipments are made of plants freshly dug from my own garden. These plants are acclimated to dry summers and changeable winters and should be vigorous and hardy anywhere.

No Substitutions—No substitutions are made unless requested by the customer. If a variety is sold out, your money is refunded immediately. No requested substitutions can be made in collections.

Terms—Cash with order. Kansas customers will please add 2% sales tax. No order accepted for less than \$1.00. Postage and express prepaid on all orders.

Discount—A 10% discount will be allowed on all orders, except collections, received and paid for before June 20th.

Shipping Dates—Shipping will begin June 23rd and will continue until late autumn.
